TESTIMONIALS

Our company has held a large, private event at The Big Bang for the last five years and every year it has gone off without a hitch! The Big Bang staff goes above and beyond to accommodate their guests. They helped us before, during and after the event to make sure we were completely satisfied. We love the atmosphere and people and will be back again!
- Stephanie Murphy, BioSafe Systems

The event was incredible. The food was way better than anyone would have expected, the service was way above average, and the people are still talking about how cool the entertainment was. - Bianca Catalano, Indiana University

My client loved their holiday party at the Big Bang. It was a great casual atmosphere for an employee gathering outside the office.
- Tanya Irelan, Corporate Event Planner
